

STAND BY LOYAL ULSTER!

Loyal Ulster is under threat! A conspiracy by the 'British' and Irish governments, hand in hand with the Marxist IRA, is endangering the status of Northern Ireland as part of Great Britain!

The aim of the murdering IRA and their fellow Irish Republican travelers is to create a single state of Ireland ruled by Dublin by using any means at their disposal. They are experts at indiscriminately murdering innocent people by the bomb and the bullet. Contrary to the conditions of the so-called 'peace treaty' known as the 'Good Friday Agreement' the IRA are still in existence and their terror programme is still in operation. Their members are once again on our streets continuing their campaign of hate against the British people of Ulster. All these red terrorists should have received the death penalty for their crimes and hung like common criminals. To those who will say that Loyalist prisoners have also been released, we state that those loyal Britons should not have been imprisoned in the first place. Would any other country jail its citizens for fighting to defend it from attack by a foreign power? In Britain though, those standing up for our nation are condemned by both the corrupt politicians in power and by the pro-Republican media, most of whose journalists subscribe to the politics of Karl Marx like their comrades in the IRA.

Ulster is, and must always remain, British. Those people currently resident in Northern Ireland who refuse to renounce allegiance to the Irish Republic and do not consider themselves British should lose their British Citizenship and, as a result, their automatic right to live on British soil. This would enable all IRA activists and their supporters to be removed permanently from the UK.

The British People's Party supports the right of the British people of Ulster to maintain their British heritage within the United Kingdom.

We say to hell with Tony Blair and his IRA supporting string-pullers in the USA.

ULSTER IS FOREVER BRITISH!

HANG IRA SCUM!

British People's Party
