## OPEN YOUR EYES TO IRISH REPUBLICAN LIES!

For over thirty years the Marxist terrorist group - the Irish Republican Army (IRA) - has been waging a murderous campaign of Red terrorism and ethnic-cleansing against the people of Northern Ireland - Protestant and Catholic.

This evil campaign of bombings, shootings and wholesale slaughter has led to the horrific deaths of over 3,500 men, women and children. Innocent victims of violent atheistic communism.

The IRA's ultimate aim is the complete destruction of Northern Ireland as part of the United Kingdom and the setting-up of a 32 county socialist workers' republic on the island of Ireland. A Marxist dictatorship - a Cuba at Britain's backdoor!

You may have seen their Sinn Fein spokesmen (IRA's leftist political wing) on TV? These people are but the slick media manipulating frontmen for mass murder in Northern Ireland. Their extreme politically correct stance - anti-racial segregation, pro-abortion, pro-homosexual rights - spell the death of the White Race world-wide.

Their genocidal terrorist war against the White British people of Northern Ireland demonstrates their true Marxist agenda. Don't be duped! Don't buy their phoney 'Irish Unity' propaganda hype. Next time they call collecting for funds just say "NO!" Tell these commies no money for IRA death squads!
