

# ***RACIAL ATTACKS: THE TRUTH***

**Why is it whenever a Black or Asian is murdered in a 'racial attack', the Media go into overdrive over the killing, yet when a White is killed by coloureds the case is rarely reported outside the area where it took place?**

The brutal and vicious stabbing to death in Peterborough in September 2001 of 17-year-old Ross Parker by a gang of local Asian youths for no other reason than he was White was greeted by total silence by the national TV and newspapers.

There were no debates in Parliament about Ryan's murder; no independent inquiry; no endless TV documentaries and, unlike that of Black youth Stephen Lawrence who was also viciously murdered just because of the colour of his skin, the name Ross Parker is not a household name. Ross Parker's parents have not been given an OBE each in the Queen's New Year Honours list as the parents of Stephen Lawrence have.

**ROSS PARKER  
Murdered because  
he was White**

## **Why?**

Why is it when the victim of a race crime is coloured the media wail endlessly, vilifying anyone and everyone who is pro-White and there are demonstrations by leftist agitators demanding action against 'racists'. But when, as happens at least as often, the victim is White, there is little media outrage and no left-wing demonstrations!

**The British People's Party condemns all racial attacks, whatever the colour of the victim and whatever that of the attacker. We want to see an end to race warfare in Britain and that is why we demand...**

- ***AN END TO IMMIGRATION***
- ***A GOVERNMENT-FINANCED PROGRAMME OF HUMANE REPATRIATION OF BRITAIN'S NON-WHITE POPULATION TO THEIR ANCESTRAL HOMELANDS***
